Well, perhaps it is so. Let it
be as it may, we will try to
relieve the sufferer and the

We all send much love to
you and yours.

Dear Bro. and Dr. White:

Whenever you visit in
New England, you are es-
pecially invited to come
and hold a meeting in Enos-
burgh, Vt. Let me know
when you decide to come. No
pains shall be spared by my-
self and the friends here,
to make you comfortable,
and the meetings interesting.

Would it not be well to
have a Camp-meeting in
Vermont the ensuing season?
We have a 60 feet tent,
and one small tent.

I am collecting in some of
the means that the friends here
have pledged in Book Friend. Not
all will meet their pledges till

farmers get to making butter. Money is tighter now in Vermont than it has been for many years.

Pardon me for having burdened you, once or twice, with matters pertaining to the Publishing Association. The late arrears met in Review will doubtless obviate this difficulty in the future.

Matters in Enosburgh are better than they were. Yet we have a great deal of room for improvement.

I have many things that I would like to tell you; but I wait till I can see you.

Remember that you are very near to us, Dear Brother and Sister! We long to see you.

We have had plenty of snow

for sleighing here till the 15th inst. Thus we have had sleighing nearly six months the past winter.

Would it be advisable to have Vermont send a delegate to the next session of the Gen. Conf.? The demands will be considerable on our small funds this year. If we send a delegate, what do you think of our sending Bro. A. Stone? When I went as a delegate the first time, I met my own expenses except \$18. that I charged the Vt. Conf. But as Bro. Stone has placed all his means in the hands of his children, and cannot easily appropriate any of his means to his own use, the Conf. will have to meet all the expense if he is sent to B. Co., Mich., which
