The communication from Brother Daniells with reference to our donating our New York Branch Office and its assets to the Review & Herald was carefully considered, and the following named persons were appointed as a committee to reply to same:

W. T. Knox

C. H. Jones

E. A. Chapman

The sentiment seemed to prevail that in view of the large debt resting upon this Institution, the curtailment of our territory, etc., etc., that it would not be wise to grant the request, but that we would deal liberally in the matter of sale, giving plenty of time to pay.

Enclosed you will please find copy of the annual report of the Manager to the Stockholders; also resolutions adopted and report from the Book and Periodical department. Thought you would like to have these on file.

Brother Hall expects to leave for the East next Sunday night, going by way of Portland and the Northern Conferences. He will spend some time in the Central and Southwestern Union Conferences, the Presidents of each having given him an earnest invitation to come. He will endeavor to do the same work there that he has been trying to carry forward in this Union Conference.

We have just ordered paper for another 5000 edition of "Education;" also paper for 5000 "Great Controversy" and 5000 "Bible Readings." With kind regards to your family, I remain

Yours in the work,
