Eld. W. J. Stone,
2524 S. Meridian St.,
Indianapolis, Ind.

Dear Brother Stone:-

In sorting my letters today I find that I have not answered yours of Apr 6th. I received it when we were in the midst of a council and heavily pressed with work. As I had just written you all I could say about the matters referred to I laid this aside for a more convenient season, and then it was forgotten.

You will find enclosed the Covert letter which I return.

Yours truly,

W. C. W.
