

July 26, 1915.

Eld. W. M. Adams,
2050 S. 13th East,
Sale Lake City, Utah.
Dear Brother Adams:

We received your telegram of July 18th expressing sorrow for yourself and your Conference. We greatly appreciate the sympathy and kindness of our friends East and West.

You have no doubt learned from the reports in the papers that mother was buried here in Battle Creek Sabbath July 24th. The Tabernacle was filled with our friends from Battle Creek and from other places near and far away. Seven of our leading brethren came from Washington and others from the East, the North and the South.

Sara McInterfer will spend a few days visiting old friends in Battle Creek. I will go from here to Chicago and spend a couple of days at Hinsdale. From there to Madison Tennessee and then home via College View, Loma Linda and Los Angeles.

My brother Edson is very busily engaged making stereopticon slides, for our ministers. His latest enthusiasm is in behalf of the viopticon by which a small slide can be used to advantage with an inexpensive apparatus. I will ask him to send you some printed material so that when you find some young man reaching out for inexpensive outfit for this line of work you may direct him to my brother's work.

Yours very truly,

w/r.

W. C. White
