UTAH CONFERENCE OF SEVENTH-DAY ADVENTISTS

OFFICE

553 EAST THIRD SOUTH STREET

SALT LAKE CITY, UTAH, October 8th. 1907

*AG*  
 Elder A. G. Daniels

Takoma Park, Washington, D. C.

Dear Brother;-

Yours of the 26 ult. at hand. We are just in the midst of the Utah Conference Session and very much crowded for time, but will hasten reply to your letter. I have read it with interest and note the situation that exists in Southern California concerning which you ~~are~~ doubtless are fully aware ~~of~~.

Now Bro. Daniels I do not know what to advise in reference to which meeting you should attend providing you are intending to attend only one. But I will be frank to say that I am of the opinion that you could do the general cause more good to attend the Union Conference in January 17th than you could by attending the Medical Convention October 28th. But I am sure that the Medical folks and W.C. would view this matter in just the opposite way. So I am not prepared, my brother, to give any definite <sup>advice</sup> ~~answere~~ but will have to leave ~~this~~ matter with yourself as to which one you attend. I wish to say, however, as a servant of the work in this Pacific Conference that in behalf of the people as well as myself we extend to you a most cordial invitation to attend them both. The time of the Medical Convention as you know is very near at hand and with the present state of affairs in the Southern Conference, it will not be possible for us to have an understanding among ourselves, convey

Daniels--2--

the information to you change <sup>of the in</sup> the date of that meeting <sup>and also</sup> convey such information to ~~you~~ interested parties before the date of the meeting.

Received a letter from W. C. White last night in which he makes reference to your letter to me, he asks that we change the date of the Union Conference putting it in the latter part of November or early in December but we can not do this to which end I will write Bro. White. We cannot get our records in shape.

Trusting that you and Sr. Daniels and Grovener are well and that the work is going well with you, I remain as ever heretofore

Your Brother In Christ
